

Inland / Inshore Diving Supervisor

This certificate is only valid if the holder has the original card (shown above) in their possession.

The validity of the Reference Number can be confirmed on the ADC Website

All Inland / Inshore Diving Supervisors should ensure that:

They are appointed in writing by the diving contractor.

Have been issued with a working copy of the Dive Plan and any Risk Assessments

The operation they are supervising complies with the requirements of all relevant legislation and the ACoP.

All personnel involved on the dive team are competent to carry out the work and are properly briefed.

Emergency arrangements are adequate and understood by all involved.

The diving operation is carried out in a safe manner.

The Association of Diving Contractors

The Association represents diving contractors who are involved with inland or inshore diving operations in the UK and Ireland
